The Ohio State Sigma Xi Chapter GIAR program

Our Chapter has been supporting student research through GIAR awards for more than 10 years. In 2016-2017 our Chapter awarded 2 undergraduate student GIARs, $500 each, and 4 graduate student GIARs, $1,000 each. Application rules are the same as for the National GIAR.

Application instructions for the Ohio State GIAR: http://sigmaxi.org.ohio-state.edu/GIARprogram.htm

Deadline: September 15

National Sigma Xi Grants in Aid for Research (GIAR)

The GIAR program awards grants of up to $1,000 to students from all areas of the sciences and engineering. Designated funds from the National Academy of Sciences support grants of up to $5,000 for astronomy research and $2,500 for vision related research. In 2016-2017, 4 OSU students won National Sigma Xi GIAR Awards.

Application instructions: https://www.sigmaxi.org/programs/grants-in-aid/apply

Deadlines: March 15 and October 1

Students may apply for both the Ohio State and National Sigma Xi GIAR awards.

Being a member of Sigma Xi increases your chances of success for both GIAR programs.
